

## EX2

EX2 perfectly combines the heritage from CREM traditional espresso machines with a contemporary design within the EX line. Its optimized but robust body includes Expobar well known reliable and consistent hydraulics to offer a wide range of espresso-based drinks. The EX2 is, in this sense, the best choice for those businesses looking for a smart balance between budget and performance.

**Version with high brew group**  
Suitable for take away cups

**Double pressure gauge**  
As an option

**Extra steam wand**  
Additional steam wand for 2 group versions (option).

**Barista lights**  
For convenient and safe working conditions (option).

### Features and advantages at a glance

- Optimized and robust design line
- Expobar well known reliable hydraulics
- 1/2 rotatory knobs
- Electronic pre-infusion and pre-infusion chamber group head
- Ergonomics & Barista flow
- Improved cup tray area
- Ease-of-servicing
